Dear Applicant

This year GCSE Results Day will be held on Thursday 12 August, which is earlier than in previous years. We have therefore decided to bring our enrolment days forward to **Thursday 26 August** and **Friday 27 August** to allow you to enrol with us more quickly, once you have collected your GCSE results. We hope that this change of date will not cause any inconvenience but help to bring reassurance about your place and choice of courses at New College Bradford.

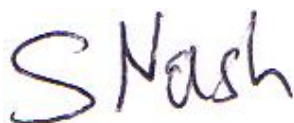

We will write to you at the end of the summer term indicating on which of the dates, and at what time, you should attend college to enrol. Please just let us know, when you receive your letter, if your allocated day is a problem and we will be able to switch the days.

If you know at this stage that you are **not** available on **either** Thursday 26 August **or** Friday 27 August, please notify us as soon as possible by email (studentservices@nclt.ac.uk) or telephone (Student Services on 01977 702139, option 2). We will then invite you to attend a late enrolment day on Wednesday 1 September.

However, please be aware that if you attend late enrolment and request to change your courses, or have not met the minimum entry requirements of the courses selected at interview, you will only be able to select courses that have remaining availability. We would therefore encourage you to attend the official enrolment days on Thursday 26 and Friday 27 August wherever possible.

We will be holding an Open Event on Wednesday 7 July and we very much hope you will be able to join us and take the opportunity to see our fantastic college and its facilities. More details will be posted on our website shortly.

With best wishes,

Stuart Nash
Principal
