

October 2021

Dear Parent, Guardian or Carer

**Open Days at New College Bradford, Nelson Street, Bradford BD5 0DX**

We are delighted to invite students and parents to join us at our Open Events taking place at New College Bradford this academic year:

- **Open Day, Saturday 16th October 2021, 10am – 2pm**
- **Open Evening, Tuesday 16th November 2021, 4.30pm – 7.30pm**
- **Open Evening, Monday 7th February 2022, 5pm – 7pm**

These events are a great opportunity to explore the College and meet teachers, to find out more about the ethos and culture of the College, to start considering the courses we offer and to find out why New College Bradford is a great place to study. Students and parents in all year groups are warmly invited to join us for these informal events, but the event will be of particular interest to students in Years 10 and 11.

New College Bradford is a specialist academic Sixth Form College providing A level and A level equivalent courses, such as Level 3 BTEC qualifications, for students in the 16-19 age range. As well as achieving outstanding results, we are exceptionally proud of our outstanding rates of progression to higher education and other high-quality progression routes, with 81% of our students progressing to University last year. This success is built upon an outstanding enrichment and personal development programme, helping students to be ready and confident for adult life, university and employment.

Our purpose-built five-storey building in the heart of Bradford has been designed specifically for post-16 education, with high quality classroom and laboratory facilities, as well as study rooms and work areas created specifically to encourage the independent learning culture. The College has experienced very significant growth since opening in September 2019 and is now oversubscribed. We therefore encourage students to apply as early as possible and the vast majority of students do apply before Christmas. Applications are now open at <https://ncbradford.ac.uk/apply/> Students and parents can also find out more about the College and the courses we offer via our online prospectus at <https://ncbradford.ac.uk/prospectus/>

There has never been a better time to talk to our students and staff, see a presentation to show our fantastic facilities and get a feel for what makes New College such a special place.

Best wishes

**Stuart Nash**  
Principal, New College Bradford
