

SIL Year 12 – Year 13

Cache L3 Childcare & Education (EYE)

Covid 19 Notice

The first 3 weeks of your year 13 will hopefully see you in placement on a 3 week placement block. This of course depends on the government guidelines with regard schools and nursery's being open and schools being able to accommodate work experience students.

Planning, Carry Out & Evaluate Activity Plans

Your SIL work is linked to **Unit 9 Supporting Literacy & Unit 10 Supporting Numeracy and Unit 16** which you will study in Year 13. During the summer and the first 3 weeks of placement in September you are required to **plan, carry out and evaluate** the following activities (see list below). You can look to plan resources for you activities during progression week and over the summer. By doing these you will meet the criteria identified for each unit.

How to Prepare

1. You will produce the planning part of each activity **during progression week**, you must follow the guidance on the green activity plans at all times to meet all of the expected criteria. You must fill out all of the front of the top sheet for 'progression week'. The sig part will be completed once you have carried out the actual activity in placement. You must also write about all of the sections up to evaluation and recommendations for progression week. This shows us how you are using planning effectively.
2. Once your teacher has seen your completed top sheet and written work for each activity and approved the activities, you will be expected to **carry each one out during your 3 week placement block**. You must obtain an authenticated signature from placement once you have carried out each activity.
3. Before you return to college each activity must be fully evaluated and recommendations (next steps) must have been completed.

For Unit 9 -Supporting Literacy (B2 B3 A1 A1*)

You will need to complete the following activity plans for

- ✓ *Speaking & Listening*
- ✓ *Emergent Reading*
- ✓ *Sustained Shared Thinking*
- ✓ *Emergent Writing*
- ✓ *Technology/Digital Literacy*

For Unit 10 – Supporting Numeracy (C2 C3 B1 B2 A1)

You will need to complete the following activity plans for

- ✓ *Number & Counting*
- ✓ *Measure, Shape Size and Pattern*
- ✓ *Weight, Volume and Capacity*
- ✓ *Space and Time*
- ✓ *Matching & Sorting*
- ✓ *Data Representative*
- ✓ *Problem Solving*

Guidance

- Please refer to the back of the activity plan top sheet for guidance
- Each section must be completed for the activity plan to pass
- Please make detailed reference to current frameworks
- Please use theory to support your evaluation and recommendations
- Clearly reference your work
- Each activity plan must be in a separate plastic wallet
- Your setting must sign the top sheet to authenticate the activity.

September 3 Week Block

While you are out on placement for the first 3 weeks in September, you may be able to arrange a visit from our new Cache Assessor. More details will be emailed out.
