

**Summer Independent Learning Tasks A Level Fashion and Textiles**

If you have not studied a creative subject before or you are worried you may not achieve a 6 in Art, this task is your opportunity to demonstrate your skill/passion in the Fashion & Textiles and your ability to cope with the A-level course. Please ensure this is to the best of your ability.

**Task One:** You must follow these links to the 'LINE' Textiles Pinterest boards:

Create your own Pinterest Board named 'LINE' and pin at least 35 images which inspire you, using ours as a starting point. For now, imagery should be black and white only. Imagery must link to Line in some way.

**Task Two:** You will document your summer holiday break through the medium of line drawing. You should use black media only; pencil, biro, fine liner, charcoal, pastel, watercolour and/ or ink. Techniques: continuous line; layering; thick and thin lines; overlapping media. Keep the drawings loose and abstract- we are not looking for hyperrealism! Draw onto found paper, photographs, collages, music sheets, book pages- anything you have around. Consider drawing: your home; the people you live with; yourself; friends; your garden; objects that are precious to you; the view from your window; any place you visit; everything in your cupboards; text. Anything can become a line drawing. You will create a minimum of 30 drawings on paper no bigger than A6.

**Task Three:** Make at least one sketchbook of your drawings. You may want to split your drawings into a series of smaller sketch books e.g. three books of 10 drawings. Depending on the type of book you would like to make, you may complete this stage before you begin drawing. Consider: concertina books; stitched together pages; taped together pages; sections which fold out in usual ways; different types of paper (envelopes, newspaper, card). Examples on Pinterest board and below. Neutral colours only.
