Dear Parent/Carer

NCB ENGAGE Event: Exclusive Offer for Parents/Carers

**Experience University Life at the University of Hull
Saturday 26th November 2022.**

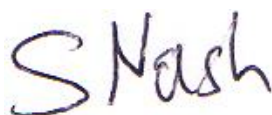

We would like to offer Parents/Carers of New College Bradford students an exciting opportunity to visit the University of Hull. As a College, we offer our students a wide variety of enrichment opportunities to promote the lifelong benefits of studying at university. This includes opportunities to visit university campuses to experience what life is like as a university student. This obviously has had an impact, with 83% of our students last year progressing to higher education.

However, the University of Hull, in collaboration with New College, wishes to extend this experience to the Parents/Carers of our students.

- **Parents/Carers of New College Bradford students are invited to attend the University of Hull Open Day on Saturday 26th November 2022.**
- **There will be free transport** to and from the University of Hull from New College Bradford.
- **Free all day secure parking at New College Bradford whilst we are at Hull.**
- Each family/group who sign up will receive **a free goody bag which will include a £25 Nando's voucher and limited addition University of Hull/Team GB water bottle.**
- We will leave New College Bradford by coach at 8.30am on the morning of Saturday 26th November 2022.
- We will then spend the day touring the University of Hull.
- We will depart the University at 1.50pm, returning by coach to New College Bradford for 4pm that afternoon.
- Whilst your child will be welcome to attend with you, they are not required to attend, this opportunity is focused upon parents and carers.
- **Please note, New College Bradford students who wish to attend must be accompanied by a Parent/Carer.**

Don't miss out on this exciting opportunity. To book your tickets, use the QR code on the back of this letter

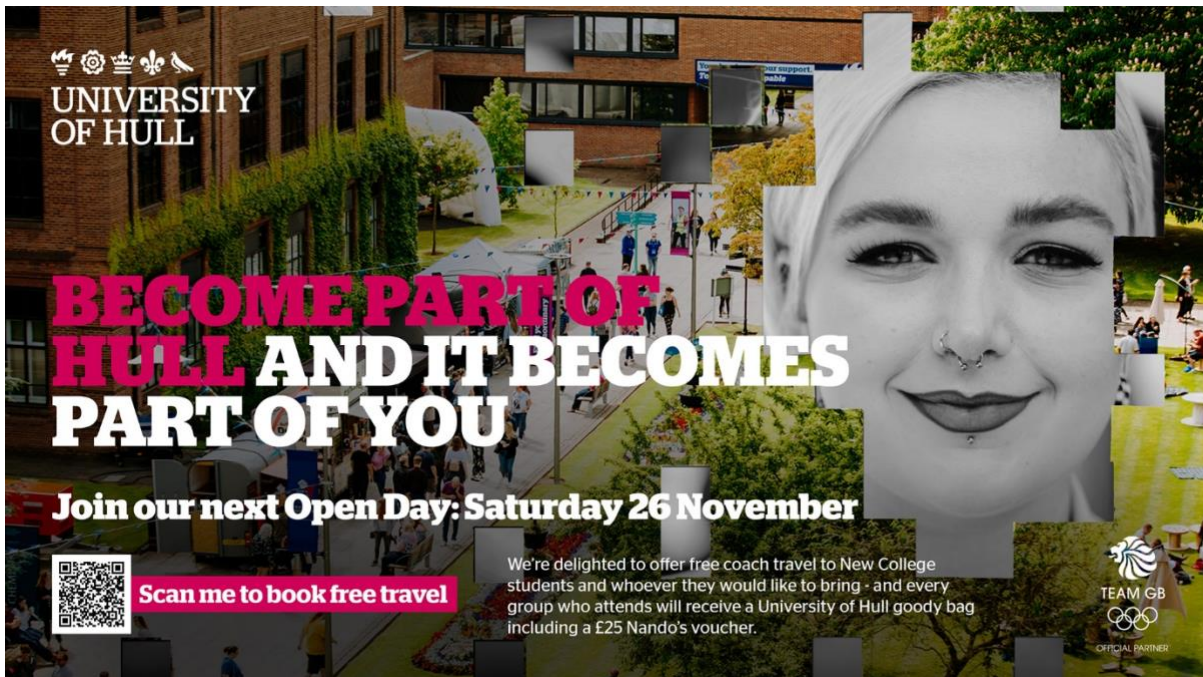

Yours sincerely
