Dear Parents and Carers

I am writing to let you know about an opportunity that has arisen to support the effective governance at New College Bradford. We encourage parents and carers of New College Bradford students to consider whether they might be interested in getting involved, acting to provide oversight, support, guidance and challenge to the senior team.

The Trust is looking to appoint at least one individual to join the New College Bradford **Advisory Group**.

The Advisory Group considers and discusses issues such as:

- Student progress and College outcomes
- The quality and development of teaching and learning
- The College's progress with respect to improvement plans
- Student attendance, behaviour and retention
- Student support, safeguarding, SEND provision and careers / higher education guidance

This small group of advisors meets once per half term, along with the Principal. Over the last year, meetings have been online and in person, and usually take place at 4.00pm for approximately 1.5 hours.

If you would like to find out more about getting involved with the Advisory Group please email clerk@nclt.ac.uk

Yours sincerely

Stuart Nash
Principal, New College Bradford
