

## Introduction to Y13 Psychology – Summer Independent Learning 2023

Your SIL includes completing the first section on a Paper 1 topic on Psychopathology:

### 1. Characteristics and Definitions of Abnormality.

Please complete the listed tasks in the order they are presented. The tasks include completing the work booklet and additional exam questions as directed in the videos:

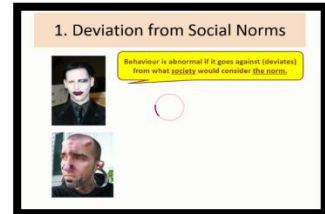

If you are able to print this document, then please do so and **tick the checklist off** as you complete each task. If you are unable to print the document, then just read the checklist and use it as a guide.

Task Number & Title	Description of Task	(✓/✗) Task Complete
<b><u>CHARACTERISTICS of OCD, Depression &amp; Phobias</u></b>	<p>Watch the three introductory videos to OCD, depression and Phobias as these disorders are referred to throughout the topic by clicking on the images for the links:</p> <div style="text-align: center;">   </div> <div style="display: flex; justify-content: space-around; align-items: center;">   </div>	
	<p><b>Lesson 1 – Characteristics of Disorders</b></p> <p>Access the video lesson by clicking on the image for the link and complete all activities referred to in the videos in your Psychopathology booklet and any exam Q's on separate paper:</p> <div style="text-align: center;">   </div>	

## DEFINITIONS OF ABNORMALITY
