

October 2023

Dear Parent/Guardian

We are currently researching the effectiveness of our CEDAR platform which is used to track student data such as attendance, behaviour and attainment. We are interested in finding out if, and how, parents and guardians use this to monitor their child's progress. The aim is to use the results from this survey to improve our use of this platform and allow us to enhance the efficient use of CEDAR as a method of communication with parents.

We would be grateful if you could take a few minutes to fill in this survey about your experience with the platform to help us improve our communication.

<https://forms.office.com/e/736rs3Asb5>

Please find below the link to the website explaining how to create and use a parental CEDAR account.
