Dear Parents and Carers

September 2024

### Year 12 Parents'/Carers' Welcome Evening

We are delighted to welcome your child as a new student to New College Bradford. On **Tuesday 24 September**, we are holding our Year 12 Parents'/Carers' Welcome Evening at the College, where you will be able to attend a presentation given by the Principal. The presentation will provide an opportunity for parents and carers to find out about student life at New College Bradford, about the support we provide for students and about College expectations. We will also let you know how you can keep in touch with us and provide additional support at home.

After the presentation, the senior leadership team and senior progress tutors will be available to answer any individual questions you may have about the College.

There will be two sessions during the evening, with the first starting at 5:00pm, and the second at 6:30pm. **Please use the QR code at the end of this letter to let us know which session you would like to attend.** Unfortunately, parking is not available at the College for this event. However, if you have mobility issues and require assistance with parking, please let us know.

You are always welcome to contact us at any point to discuss any issues concerning College. Our first Parents'/Carers' Evening takes place on Tuesday 25 February 2025 but please don't hesitate to contact us sooner if you wish to discuss your child's progress. You can also contact your child's subject teachers and progress tutor via email by logging into **Cedar** (please see below), or by telephoning the College.

### Keeping Track of Your Child's Progress Via Cedar

One of the other ways in which we keep in contact with parents is through **Cedar**, which can be accessed online at <http://cedar.ncbradford.ac.uk/>. Cedar is a system used by all staff, students and parents, and we are confident that you will find it very useful. Information on how to set up your parental account can be found at: <https://ncbradford.ac.uk/cedar/>. If you have any problem accessing Cedar, then please speak to us at the Welcome Evening or email Student Services: [ncb-studentservices@nclt.ac.uk](mailto:ncb-studentservices@nclt.ac.uk)
