

SIL (Summer Independent Learning) Year 12-13 2025

Your Summer Learning is split into two tasks. The first focuses on you considering your own progression in to the games industry and potential job opportunities. The second is a more creative task.

Task One:

Using the PowerPoint guide,

to construct a CV appropriate for finding work in the games industry. Following the guide, research potential job opportunities and carry out a skills audit to assess what you need to do in order to be successful.

Task Two:

The faculty of Creative and Digital Technology at New College Bradford are considering a rebrand and would like your design ideas for potential new logos for the faculty. Use the PowerPoint guide
