## Parents' Information Evening, in partnership with the University of Huddersfield. Thursday 16<sup>th</sup> April, 5pm – 7.15pm.

Dear Parent/Carer,

### Supporting Your Child's University Journey.

Going to university is an exciting step, but it can also feel complicated and sometimes overwhelming not only for students, but for parents and carers too. To support you through this process, we would like to invite you to our **Parents' and Carers' Information Evening**.

During the session, the University of Huddersfield team will share helpful guidance on the Higher Education process, no matter which universities your young person may be considering. This is a great opportunity to understand applications, student life, and how best to support your young person with their next steps.
