YOU WILL NEED TO ALLOCATE AT LEAST 4 HOURS TO WATCH THE VIDEO LESSONS AND THEN ADDITIONAL TIME TO COMPLETE THE ACTIVITIES. SPREAD THE WORKLOAD OUT OVER A FEW DAYS RATHER THAN TRYING TO DO IT ALL AT ONCE!

You will be expected to produce this work in your first lesson with your psychology teacher in September. Please don't worry if there are bits that you haven't managed to complete though – just try your best and do as much as possible!

We hope you enjoy learning about psychology and are excited about starting the course with us. Have a lovely summer and see you soon!
